

PRISON RAPE ELIMINATION ACT ANNUAL REPORT

2017 COZZA REPORT

American Behavioral Health Systems (ABHS) Cozza is a 124-bed residential treatment facility located in Spokane Washington providing Co-Occurring Disorder treatment services to Medicaid eligible and those under the supervision of the Washington State Department of Corrections. The clients are housed in gender specific programs separated by closed doors, the genders do not come together during their treatment stay. While in treatment the clients participate in multiple treatment focused activities each day consisting of didactic education, group and individual therapy as well as recovery and living skills. The program provided evidenced based therapy founded in the principles of a Therapeutic Community.
