2018 CHEHALIS REPORT

American Behavioral Health Systems (ABHS) Chehalis is a 237-bed residential treatment facility located in Chehalis Washington providing Substance Use Disorder treatment services to Medicaid eligible and those under the supervision of the Washington State Department of Corrections. The clients are housed over two floors of the facility and reside in bedrooms consisting of up to four clients per room. While in treatment the clients participate in multiple treatment focused activities each day consisting of didactic education, group and individual therapy as well as recovery and living skills. The program provided evidenced based therapy founded in the principles of a Therapeutic Community.

Allegations of Client-Client Sexual Abuse and staff-Client Sexual Abuse*

	Substantiated*		Unsubstantiated*		Unfounded*	
	Client-Client	Staff-Client	Client-Client	Staff-Client	Client-Client	Staff-Client
